

# BRYAN WEEKLY EAGLE

VOLUME XXVII

BRYAN, TEXAS THURSDAY, JUNE 28, 1923.

(BY THE ASSOCIATED PRESS)

NUMBER 6

## BRYAN JUDGE IS MADE CHIEF JUSTICE!

### ANNUAL CONVENTION HOOD'S TEXAS BRIGADE CONVENES BRYAN TODAY

**Score of Veterans Composing Remnant of Famous Fighting Unit in Confederate Army in Virginia Open Their 52nd Annual Convention in Carnegie Library Auditorium—Still Feel Young.**

Living over again the strenuous and dangerous experiences of their youth and imagining themselves boys once more as they listened to the stirring strains of old-time airs played on the fiddle, a score of Confederate veterans, members of Hood's Texas Brigade, are today the welcome guests of Bryan. The spirit within them and not the years that have passed over them, count with these men as any one who saw James Briggs of Company H, First Texas Infantry, kicking his heels together in the convention hall while the fiddler played a stirring air can well appreciate. They have met to renew friendships and discuss events from which the rankle has long since faded and only the tender memories remain.

#### THE MORNING SESSION OPENS IN LIBRARY.

The opening session of the reunion was held in the auditorium of the Carnegie Library this morning, beginning at 9:30. The assembly was called to order by Gen. Henry Bates Stoddard of Bryan. The invocation was delivered by Rev. J. J. Tatum of the Free Baptist church, who asked the blessings of the Creator upon the fast-dwindling remnant of those who offered their all in defense of the Lost Cause. Music was then furnished by Ernst's orchestra. Mayor Tyler Haswell delivered the address of welcome in behalf of the city of Bryan. He expressed his appreciation of the honor the Brigade had conferred on this city by making it their permanent meeting place and said that he hoped the meetings would not be discontinued as long as one single veteran was on his feet. Secretary S. E. Eberstadt spoke in the name of the Bryan Chamber of Commerce, expressing the pleasure of that body in having the veterans visit the town again. He introduced T. K. Lawrence, chairman of the entertainment committee and presented to the members of the Brigade a part of the members of the Bryan Boy Scouts, whom, he explained, were present to see after every need of the visitors, however small. Mrs. Albert Buchanan, president of the L. S. Ross chapter of the Daughters of the Confederacy, extended a welcome in behalf of that organization. She expressed the wish that this 52nd annual convention of the Brigade might be the most pleasant one the visitors had ever known. Gen. H. B. Stoddard spoke briefly in the name of the Confederate veterans of Bryan. Miss Miriam Crute sang a much-appreciated solo.

### MARRIAGE LICENSES FOR BRAZOS COUNTY

Dr. A. L. Mondrick to Pearl Fullerton; P. W. Smith to Bell Easters; Wesley Childers to Velma Lee; George Jackson to Emma Lane; Charlie Collins to Lucille Turner; Gobell Willborn to Betty Gay; F. B. Vaughn to Hattie Roberts; R. T. Jones to Mary Hawkins; and Selts Evans to Polly Parker.

### BRAZOS UNION LODGE INSTALL NEW OFFICERS

Brazos Union Lodge No. 129 A. F. & A. M. held their installation of officers Monday night. The following officers for the ensuing year were installed: H. E. Randolph, Worshipful Master; J. W. Hall, Senior Warden; R. W. Downard, Junior Warden; Oak McKenzie, Senior Deacon; T. A. Munson, Junior Deacon; W. K. Gibbs, Senior Steward; G. L. Dickey, Junior Steward; L. E. Dowd, Tiler; J. D. Martin, District Deputy Grand Master, acted as Installing Officer and Roy Hudspeth acted as Marshal. Talks were made by several members present and expressions of good will and support were tendered the incoming officers which indicates an active and prosperous year for the lodge. G. A. Long, secretary, King Vivion, chaplain, and E. W. Crenshaw, treasurer, were re-elected and previously installed. Mr. Randolph bears the distinction of being the first certificate man to be elected Worshipful Master of Brazos Union Lodge. He holds a certificate from the Grand Lodge of Texas, which qualifies him to teach Masonry. He also has the honor of being worthy patron of the Bryan Chapter, Order of the Eastern Star, which is closely related to the Masonic fraternity.

#### MONDRICK-FULLERTON WEDS

At nine-thirty o'clock this morning at the home of the bride's parents, Mr. and Mrs. J. W. Fullerton of Tabor, Miss Pearl Fullerton was given in marriage to Dr. A. L. Mondrick of Bryan, Dr. Wm. N. Sholl, pastor of the First Presbyterian church of Bryan, officiating at the ceremony. It was a very quiet home wedding, only a few relatives and close friends present. Immediately after the wedding Dr. and Mrs. Mondrick left by auto for a trip through the "Magic Valley" down on the Rio Grande river, after which they will be at home to their friends in Bryan. The bride has made her home in Bryan for the past several years and has won many friends here. Dr. Mondrick is one of the successful physicians of Bryan. The Eagle with other friends extend congratulations and good wishes.

### GROUP NO. 4 ENJOYS LAWN PARTY AT HOME OF MRS. M. R. BENTLEY

One of the most delightful affairs of the summer time season was the lawn party enjoyed by members and their families of Group No. 4 of the Woman's Missionary Society Monday evening from 7 to 11 o'clock, at the home of Mrs. M. R. Bentley on South Bryan Street. Many incandescent lights, with Japanese lanterns made an attractive lighting for the lawn, where rugs, seats and pillows arranged to furnish comfort for some sixty or seventy guests. After a supper of sandwiches, pickles, salad, ice cream and cake was served picnic fashion a program followed consisting of games, contests and readings appropriate to the occasion. This furnished fun and frolic for both old and young until a late hour. Present were the following members: Mr. and Mrs. T. B. Poole, Mr. and Mrs. L. E. Bailey, Mr. and Mrs. F. C. Brunnean, Mr. and Mrs. B. D. Mann, Mr. and Mrs. Wallace Peverly, Mr. and Mrs. H. D. Cuykendall, Mr. and Mrs. B. P. Gaby, Mr. and Mrs. G. H. Brown, Mr. and Mrs. R. M. Dansby, Mr. and Mrs. H. C. Beard, Mr. and Mrs. J. N. Goodwin, Mr. and Mrs. Oak McKenzie, Mr. and Mrs. Tom Powers, Mesdames Will Hall, A. P. Swallow, H. H. Seale, M. R. Bentley, Misses Wilford Brunnean, Vivian Seale, Zonnie Seale, Florence Harris, Nyra Erwin, I. R. Black and Fred C. Newport.

#### ALEXANDER CEMETERY

All who are interested in the Alexander cemetery are asked to come Friday, 29th, and spend the day and help do the much needed work in clearing the cemetery. Bring well filled baskets for dinner will be served on the grounds. COMMITTEE.

### CLEMENT E. APPEYARD DIED SATURDAY NIGHT

Clement E. Appeyard, 78 years old, died in Bryan at eleven o'clock Saturday night and was buried from Saint Andrews church Sunday afternoon at five o'clock, Rev. S. M. Bird officiating. He had been sick about six months. It is reported that Mr. Appeyard was a graduate of Cambridge University, England. He left England about 35 years ago and had been in Bryan four years. He has one sister in England, Miss F. M. Appeyard. He was much respected by those who knew him best.

#### JUSTICE COURT VERDICT

The case of Clay Burroughs versus A. N. Abernethy in the matter furniture payment was tried in the court of Justice J. W. Hamilton yesterday. Verdict was rendered in favor of the plaintiff in the amount sued for.

### MRS. ALMA DANFORD WAS BURNED TO DEATH AT HER HOME IN ERWIN

(From Friday's Daily)  
Mrs. Alma Danford, the wife of Emory Danford, received fatal burns when their home in the Erwin community was destroyed by fire about noon Thursday. The fire is supposed to have started from an oil cook stove. Mrs. Danford had left the house for a short time while her dinner was cooking and when she returned she found the building burning. She at once started carrying furniture and household goods from the building and while trying to save these her clothing caught fire. It is said that when Mr. Danford, who was working in the field, reached the house, he found his wife rolling in the yard, trying to extinguish her burning clothing, having already been badly burned herself. She was carried to a nearby home and everything possible was done to save her life, but she died as a result of the burns at 8:30 last night. The home and most of its contents were totally destroyed by the flames.

Mrs. Danford was about 20 years of age and is survived by her husband and one small son about two years old. She also survived by her parents, Mr. and Mrs. V. H. Pearson of Fuqua's Prairie; three brothers, J. E. Pearson of Dallas, W. E. Pearson and V. H. Pearson, Jr., of Fuqua's Prairie and two sisters, Mrs. Fred Pearson of Thornton, and Miss Verna Pearson of Fuqua's Prairie. There are also number of other relatives and a host of friends who deplore the terrible misfortune which resulted so sadly. The funeral was held at 11 o'clock today and the body was laid to rest in the cemetery at Fuqua's Prairie.—Navasota Examiner-Review.

#### JUDGE DAVIS AT HOME FROM VISIT IN AUSTIN

Judge W. C. Davis has returned from Austin where on Tuesday he conferred with Governor Pat M. Neff regarding his appointment as chief justice of the recently created Tenth Court of Civil Appeals. That tribunal will hold its first session at Waco next Saturday and then adjourn to meet the first Monday of next October. Judge George W. Barcus of Waco and Judge James M. Robertson of Meridian, the two associate judges named, qualified on Tuesday but Judge Davis did not. Judge Davis says he still has some cases to clear the docket of in the district court and he wants to dispose of them first. When this is finished he will resign and take the new oath. In selecting the three judges the governor covered the new appellate district geographically. Judge Davis comes from the southern end, Judge Robertson from the northern side and Judge Barcus from the center.

#### RECENT AUTO LICENSES ISSUED IN BRAZOS CO.

The following automobile licenses have been issued since June 10: W. B. Bizzell, Ralph Chambers, C. K. Fraser, W. E. Saunders, Joe Wymalo, W. C. Davis, James Lang, L. L. McNeely, C. A. Wood, D. H. Harvey, H. G. Wicks, E. J. Fountain, J. R. Peyton, Johnnie Seale, Mrs. F. N. Reed, Clem Beal, Sam Natch, Pedro Marones, W. W. Crenshaw, N. B. Allen, R. O. Astin.

### ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed—Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calotabs, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles, calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family packages, ten cents for the small trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. Adv.

### TEXT BOOK HEARING DEFERRED TO JULY 23

(By Associated Press)  
WACO, June 26.—A hearing on the temporary restraining order granted by Federal Judge West of Austin on June 15 prohibiting State Superintendent Marrs from certifying any geography text books other than those alleged to have been contracted for with the American Book Company last December was reset here today by Judge West for July 23, in San Antonio. This action followed the filing of a general demurrer by attorneys for the book company.

### EAST TEXAS STAGES POULTRY CAMPAIGN

TYLER, Texas, June 26.—The East Texas poultry improvement campaign opened in Smith county today with an attendance of several hundred farmers, many of whom were women. Smith county, one of the best counties in East Texas, has an average of only 23 hens to the farm, or a total of 173,576 poultry of all kinds on 5,875 farms. The figures hold good on the average for other East Texas counties. Texas as a whole has 160,000 farms without a hen out of 463,000 farms. It is hoped to correct this condition by education. The campaign is under direction of the extension service of Texas Agricultural and Mechanical College, J. E. Stanford, of Bryan, district agent, in charge.

#### REV. RENDLEMAN LEAVES FOR HOME IN MISSOURI

Rev. A. J. Rendleman, who has been conducting the series of services at the Free Baptist church, which closed Sunday remained in Bryan for a few days visit with friends, left today for his home in St. Joseph, Mo. Rev. Rendleman made many friends during his stay in Bryan and carries with him the best wishes of all for the splendid service rendered.

#### MRS. CARNES IN WEST

Bryan friends have received post card greetings from Mrs. Dona Carnes, who in company with her brother, Dr. Hiram T. Coulter and family of Rockdale are touring California, telling of a trip through the Grand Canyon in Arizona.

### FREE BAPTISTS NINE CRUSH THE CHRISTIANS BY SCORE OF 9 TO 1

(By C. S. Beckwith.)  
The local baseball fans witnessed another top-sided affair yesterday evening when the Free Baptist Terrors swamped the Christian Sluggers by a score of 9 to 1. The game was a good exhibition of how high the players could throw the ball. Numerous errors were made by both teams. The battery of the Free Baptists was directly responsible for the large score. The fans must understand that the league has just opened and the players are not in form but by the present indication, good ball can be promised shortly, for the fact the boys are putting their hearts in the game and soon will round out in shape. The Methodists and Baptists clash this evening in their first conflict since the memorial one of last fall. These two teams have a wonderful following and both teams are on edge and a good game can be expected. Batteries—Free Baptists: Raines and Crow; Christian: Warren, Robinson and Kellett.

### EDGE ANNUAL PICNIC FOR FRIDAY JULY 6

EDGE, Texas, June 27.—On account of the picnic at the Bohemian Hall at Wheelock July 4th, we have decided to have our annual Cedar Creek picnic on July 6th, and are making preparations for a nice program suitable for an occasion of this kind. Everybody in Brazos and adjoining counties are invited to come and bring lunch and help us make it a grand old day. Speaking, baseball and bathing will be part of the program. M. G. CLOSS, J. T. CLOSS, F. V. RYCHLIK, T. W. BEARD, E. J. PAYNE, A. CORWELL, E. B. RUMFIELD, JESSE A. WILSON, ED WYMALO, Committee.

**LIVERGARD—the New Laxative.** Mothers: LIVERGARD is the new Laxative we cannot improve. Safe and best for the baby. Father, Mother, grandparents, sickly and strong. When the bowels are sluggish, LIVERGARD makes laughing babies of puny ones; keeps old folks young; a bottle today keeps ill away. Children are eager for it, grown-ups praise it. At good drug stores. Write us for free sample. Lungardia Co., Dallas, Tex. Adv.

### JUDGE W. C. DAVIS APPOINTED CHIEF JUSTICE OF CIVIL APPEALS

**Bryan Eagle Gets Advice that Local Citizen Has Been Honored with Important Appointment by Gov. Pat M. Neff—Associate Justices Named are Barcus of Waco and Robertson of Meridian.**

Judge W. C. Davis was today appointed chief justice of the new Tenth Court of Civil Appeals at Waco by Governor Pat M. Neff, according to a private wire to The Bryan Daily Eagle, from Austin. Judge George W. Barcus of Waco and Judge James M. Robertson of Meridian, were appointed associate justices. Governor Neff has tendered the appointment of District Judge at Bryan to J. Felton Lane of Hearne, to succeed Judge Davis. Judge Davis is a native of Alabama and when five years old his parents moved to Texas and located on a farm in Walker county. His boyhood years were spent on the farm, where he assisted in all kinds of farm work, attending the country school during the winter months. At the age of seventeen he had completed the course offered by the rural schools and secured a teacher's certificate and taught one year in a neighboring community. The following year he entered Baylor University at Waco, graduating from that institution four years later with the A. B. degree. After completing his education he served two years as superintendent of the public schools of Anderson, Grimes county, and in 1901 was elected principal of the Bryan High school, which position he held for three years. During this time he was a member of the faculty of two summer normals and was appointed a member of the State Summer Normal Examining Board.

#### Brazos Representative.

While engaged in teaching he applied himself diligently to the study of law and was admitted to the bar in Grimes county in 1904, and immediately opened an office in Bryan and entered upon the practice of his profession. In 1906 he was elected a member of the Legislature from Brazos county and was re-elected in 1908 without opposition. While a member of the legislature he was the author and joint author of many measures enacted into law which were of great importance to the people of Texas, among them being the "Eight Hour Telegrapher's Bill," "Levee Bill," "Depository Law" and others. He was chairman of judiciary committee number one, the most honorable committee chairmanship that can be bestowed by the House. He worked untiringly for the A. & M. College and has always been one of the strongest supporters of that institution. In 1910 he was elected district attorney of the 20th judicial district, composed of Brazos, Robertson and Milam counties and has been re-elected three times without opposition. He has been a vigorous and fearless prosecutor in enforcing the laws of the State, absolutely regardless of popular favor and looking only to the preservation of the "peace and dignity of the State." His administration has been one of marked success. Judge Davis is now serving his second term as Judge of the 85th District Court.

### C. OF C. CONSIDERS PLAN TO GIVE A. & M. PRODUCTIVE INDUSTRIES

The proposal that industrial enterprises be established at A. and M. College to give employment to working students, discussion of plans for a trade trip, and the passage of a resolution commending Gov. Pat M. Neff for his veto of the bill reducing the appropriation for the reclamation and conservation survey featured the regular meeting of the Bryan Chamber of Commerce today. Mrs. Lee J. Rountree, newly elected director, addressed the chamber, expressing her appreciation of the honor shown her by her election and pledging her best efforts in behalf of the Chamber of Commerce, and Bryan and Brazos county.

A. D. Jackson, executive assistant in the Experiment Station, and Rev. W. H. Matthews, secretary of the Y. M. C. A., advanced the suggestion that industrial institutions might be established at A. and M. to manufacture clay and hardwood products from materials near the College so that employment might be given to needy students in the College year and in the summer. This proposal was referred to the development committee with instructions to take the matter up with Prof. E. J. Fernier and A. D. Jackson and report back to the Chamber of Commerce for action. Many suggestions were offered as to a trade extension trip for Bryan merchants. The matter was referred to the extension committee with instructions to confer with the finance committee and submit a plan to the board of directors. A motion was passed that the president and secretary be instructed to wire Gov. Neff the following telegram indorsing his recent veto of the substitute reclamation bill: "The Bryan Chamber of Commerce directs us to express its appreciation and approval of your veto that makes possible the full sum for reclamation."

#### Officials Reply.

The secretary read letters from

### W. T. AUSTIN CHAPTER AND COUNCIL HELD INSTALLATION MEET

At the regular meeting of W. T. Austin Chapter No. 87, R. A. M., Wednesday night at the Masonic Temple the following officers were installed: J. Linton Robertson, H. P. E. W. Price, King; W. E. Lewis, scribe; F. E. M. Lichte, secretary; J. N. Dulaney, treasurer; T. L. Berdine, C. O. R.; E. K. Spahr, P. S.; I. D. M.; W. A. Duncan, I. P. C.; J. N. Dulaney, treasurer; F. E. Lichte, recorder; E. K. Spahr, C. O. G.; O. O. Henderson, C. O. G.; W. H. Tauber, steward and H. C. Dillingham, guard. Oak McKenzie installing officer.

W. T. Austin Chapter No. 52, Royal and Select Masters immediately following installed officers for the ensuing year as follows: Oak McKenzie, T. I. M.; T. L. Berdine, R. I. D. M.; W. A. Duncan, I. P. C.; J. N. Dulaney, treasurer; F. E. Lichte, recorder; E. K. Spahr, C. O. G.; O. O. Henderson, C. O. G.; W. H. Tauber, steward and H. C. Dillingham, sentinel.

#### NOTICE, COUNTY TRUSTEES

The president of the county board of trustees, W. L. Powers, has asked the secretary to call a meeting of the board in the county superintendent's office promptly at 1:30 o'clock Saturday, June 30, 1923.

D. J. McDONALD, Sec.

W. J. Walker spent Sunday with home folks in Tabor.

## LOCAL INSURANCE MAN V. P. OF AGENTS ASSN.

Geo. A. Adams and R. C. Franks, of the Geo. A. Adams Insurance Agency, returned yesterday from Galveston where they attended the two-day session of the Texas Association of Insurance Agents. They report a most successful meeting, many helpful and inspirational addresses having been made, chief among which were those by "Jimmie" Case, president of the National Association of Insurance Agents and Hon. Wm. Thompson, insurance attorney and counselor, of Dallas. This was said to be the largest attendance in the history of the association. Many problems were discussed and rough places ironed out. Officers of the association were re-elected without exception, as follows: A. P. Cunningham, president, Dallas; P. W. Williams, first vice president, El Paso; Geo. A. Adams, second vice president, Bryan; Roy McDowell, secretary-treasurer, Dallas. The place of meeting next year was referred to the executive committee for decision. Ft. Worth and San Antonio were strong bidders for the meeting, but Galveston was strong for her city being made the permanent meeting place.

## BRYAN BOY SUCCEEDING IN HOME MISSION WORK

Whitman C. Fuller, son of Dr. and Mrs. F. D. Fuller at the last meeting of the Brazos Presbytery, which was held in Bryan was appointed assistant to Dr. C. C. Weaver, superintendent of Home Mission work in the Brazos Presbytery. Dr. Weaver and Rev. Fuller are holding a series of services this week at Calvert and reports come of the splendid work they are accomplishing. The many Bryan friends of Rev. Fuller rejoice to know of his success in his chosen field of endeavor.

## W. B. COOK VISITS BRYAN

W. B. Cook, new agricultural agent for the L. G. N. Railway, was in Bryan and College today for a conference with extension workers of A. and M. He is a guest of his brother, Jess Cook. Mr. Cook reports that he is on his way to East Texas after just having returned from West Texas. When asked how he liked Houston, his headquarters, he replied that he didn't know for he had not been there long enough yet to even get acquainted. Mr. Cook will be remembered as the former secretary of the A. and M. Ex-Students Association.

## GRASSHOPPERS SEEN IN BRAZOS CO. CROPS

John Nedbalek and E. V. Goodman of the Sam Cavitt farm near Edge were in Bryan Saturday looking up the formula for poisoning grasshoppers, given out by County Agent C. L. Beason. Messrs. Nedbalek and Goodman report that a small quantity of grasshoppers have begun to appear in the turn rows of their cotton for the past few days, and they are getting prepared to combat them if they appear in quantities. They also report crop prospect good, corn made and the very best in years.

## FREE BAPTIST CHURCH HAD SUCCESSFUL MEET COVERING TWO WEEKS

The revival which has been conducted at the Free Baptist church for the past fifteen days by Rev. C. B. Thompson, pastor of the church and Rev. A. J. Ridenman of St. Joseph, Mo., came to a successful close Sunday night. Additions to the Free Baptists church numbered fourteen, but the number of additions to other churches is not known. Capacity crowds were present at many of the meetings. The services were held twice daily, at 10 o'clock a. m. and 8 o'clock p. m. Jess Hensarling served as choir director. The Rev. Ridenman highly complimented the Bryan Eagle for its co-operation in so liberally giving space to the account of the meetings. As a parting gift the Ku Klux Klan gave \$25 to the evangelist.

## DEATH OF MR. FULLER

Dr. F. D. Fuller received a telegram Saturday morning announcing the death of his father, John Marsh Fuller of Farmington, Mass., Saturday morning. Deceased was 84 years old, a retired farmer. Funeral services were held on Sunday. He leaves a wife, one daughter, Mrs. A. H. Wood and one son, Dr. Fuller of Bryan.

## 5-12 PER CENT LOANS FARM AND RANCH

—BY—

THE FEDERAL LAND BANK OF HOUSTON

Easy terms—5 to 35 years Dependable Service

This bank has loaned \$75,000,000 to 25 thousand Texas farmers in 5 years. The Bryan Association has loaned over \$500,000 to Brazos county farmers in 4 years. Let us tell you about it.

W. S. BARRON

Bryan, Texas.

Secretary-Treasurer, Bryan Association.

## BRAZOS COUNTY BOYS AND GIRLS CLUB DEPARTMENT

Club Notes and Farm News by County Agent C. L. Beason

Fall plowing, turning under vegetation before frost, if possible, cover crops, terracing, drainage, good seed, proper fertilization, and intelligent cultivation, are just so many insurance policies, all collectable against crop failure. Neglect of any one, or all, may cause failure, but failure will not long stalk about the farmer who faithfully observes these essential factors in good farming. Which are you observing? Which are you neglecting? In the answer lies, perhaps, the secret of your success or failure. Diagnose your own case; correct the cause of failure, and pass the secret of your success on to others. It will mean a better agriculture and place you among those who helped his fellow man.

## Poison Gets Grasshoppers.

M. B. Parker, one of the leading Brazos bottom farmers, states that he has found the poison mash effective in ridding his farm of grasshopper infection, using, he states, the Paris green instead of calcium arsenate, which he found ineffective, due, he thinks, to poor arsenate, or arsenate that had lost its strength. Mr. Parker thinks any one using arsenate of lead, or calcium arsenate for any purpose, should first have the strength tested out.

## Makes Suggestion.

Market News Service, United States Department of Agriculture, quotes Spanish peanuts, June 20, at 12 1/2 to 13c a pound. Look up your files of "Club Notes" and see what was said a short time ago about peanuts and the price they might bring.

## Club Encampment.

Last call for the club encampment. No one should feel the least uneasiness about sending their boys and girls to the encampment. Every are and attention will be given each and all club members, and where club members come without chaperon, they will at once be placed under the care and keeping of some responsible person. Thursday night from 8 to 10 will be the great stunt night. If you can't be present Friday, then by all means come Thursday night and be "a child again just once for the night." If you don't laugh, then we shall know that you belong to that "ancient order of stoics." Don't forget to bring sufficient grub for your supper and breakfast, leaving pointed instructions for your people to join in the encampment by bringing your dinner Friday. If you do not understand instructions about the encampment, then phone or write the County Agent, or the Home Demonstration Agent. Whatever you do, don't miss the club encampment at the Fin-Feather club, just south of Bryan on the Leonard road.

## Reports Good Crops.

County Agent Beason reports that crops along the way from Bryan to Caldwell are fair to excellent, generally in keeping with the fertility of the soil and the amount of rainfall, as all crops appear in good state of cultivation this year. Much of the small acreage planted to corn this year is in need of rain, without which low yield and "rubbins" will characterize this year's corn crop. While cotton is the more promising just now, what it will really make is all speculation.

## Has Good Corn.

Fletcher Pool of Millican, and president of the Brazos County Farm Bureau, reports that his corn crop promises to be one of the best he has ever produced. Mr. Pool's method of corn production consists of fall plowing of land, selecting good seed, planting on level with center furrow for draining, and thorough cultivation until corn is in roasting ear. This report from Mr. Pool at Millican, where the rainfall has been slim, should put some of us to thinking that, perhaps, we have not been giving our corn the best chance. Report comes from Louis Stephan that his corn crop near the Koppe bridge is made and will "tip the beam" around 60 bushels per acre. A Baptist meeting is not the only thing that needs water, but all corn failures should not be charged up to lack of moisture. Joe Holik of the dry section near Smetana community has a fine crop of corn already made.

## Schools Essential actor.

Many of the business men of Carthage, Panola county, Texas, take pride in using the following paragraph on their business stationery: "Panola County, Texas, the 'Garden Spot of the Earth.'" A Panola county farmer raised a bale of cotton that took the premium at the Centennial in Philadelphia, afterwards at the World's Fairs in Paris, France, Chicago, St. Louis and other points in Europe and America, and is now encased in silk bagging and silver ties and is kept on exhibition in the Cotton Exchange in the City of New York. A country's greatness does not necessarily consist in the production of the finest bale of cotton, the best ear of corn, the most prolific brood sow, the best cow, or a good laying hen. All these may be evidences of greatness, but true greatness is found in the lives of men and women as revealed in their devotion to their community, their country and their God. This once proud and prosperous Panola county community, evidently not realizing at first the significance of the rural church and the public school as essential factors in the progress of agriculture, finally erected modern school buildings and gave better support to her rural churches, but not until the near-by towns, with modern school facilities and excellent church advantages, sapped the community of many of its best farmers and most substantial citizens, who left the community in quest of better educational opportunities for their children, many of the farmsteads being left to be worked by negro and transient tenants, such as have always proved a curse to any system of agriculture. It is only a concrete example of our too oft commitment of those things which stop the wheels of progress, shut the doors of opportunity against our boys and girls, and finally fill our own lives with regret, viewing the wreck and ruin wrought by our own hands, along the highway of progress and in the lives of our fellowman. Too late to take the shuck off the cat's tail after the barn has been burned.

## Club Girls in Meetings.

Miss Laura B. Roten, home demonstration agent, reports a fine meeting with the girls and women at Mudville on Thursday of last week. Miss Mary Cahill of Smetana and Miss Mary Catalena of Steel's Store assisting in conducting the sewing and other demonstrations of the day. Miss Roten also reports a very fine meeting with the girls and women of

## the Harvey community.

Mrs. E. U. Peters served delightful punch and cake to all present. The County Agent ought to be the judge at some of these demonstrations where cake and punch are served.

## First Cotton Bale ON HOUSTON MARKET BRINGS LARGE SUM

(By Associated Press.)

HOUSTON, Texas, June 25.—The first bale of 1924 cotton of the season was sold at auction today on the floor of the Houston Cotton Exchange. It was purchased for \$1,275 by Anderson Clayton and Co. and was grown by A. J. Thomas, near Welasco, in the Rio Grande valley.

## DEMOLAYS WIN FIRST GAME FROM P O STARS MONDAY AFTERNOON

(By C. S. Beckwith.)

The Sunday School League curtain went up last evening with a fair crowd in attendance. The conflict was staged between the Demolays and Post Office, the former walking off with a top-heavy score of 11 to 4. Bennett who pitched for the Post Office was, with the exception of the first innings, pitched a good brand of ball, his support was ragged in spots, and the numerous errors made behind him, were costly, and directly responsible for the large score piled up. The Demolays did the battery work for the Demolays and at no time were they in real trouble. This evening the Christians and Free Baptists cross bats and tomorrow evening the Methodist and Baptists will come together in their initial conflict. Batteries—De Molay: Dansby and Dansby; Post Office: Bennett and M. Carroll; Umpires, Childress and Spell.

Little C. N. Calmes Jr., two year old son of Rev. and Mrs. C. N. Calmes is quite ill at his home with acidosis. While still seriously ill, he is reported some better this morning.

## HOUSE JOINT RESOLUTION NUMBER 18

Proposing an amendment to Article 8, of the Constitution of the State of Texas, which relates to taxation and revenues, by adding thereto a new section to be known as Section 9a, directing the Legislature to provide for the construction, operation and maintenance, under State control, of a State system of public highways; providing for an election for the ratification or rejection of amendment herein proposed, and making an appropriation to defray the expenses of said election.

## Be it resolved by the Legislature of the State of Texas:

Section 1. That there be submitted to the people of Texas, for ratification or rejection at a special election provided for herein an amendment to Article 8, of the Constitution of the State of Texas, amending said Article 8, of the Constitution of the State of Texas by adding thereto a new section to be known as section 9a, which shall read as follows:

Section 9a. The Legislature is authorized and directed to provide for the creation, establishment, construction, maintenance and repair of a system of improved highways throughout the State to be under the control of the State; and in order that the State may provide the means, revenues and instrumentalities the establishment and maintenance of such system of highways, the Legislature is empowered to levy and cause to be collected specific excise and ad valorem taxes in addition of those permitted for other purposes in the Constitution, but such an ad valorem tax shall be imposed only for the purpose of retiring the bonds authorized by vote of the people of this State as provided for hereinafter in this Section.

When said system shall have been designated and taken over for the State as provided in Section A hereof, the Legislature is authorized to make provision for the equitable compensation to such counties for the value of such improvements as have been theretofore constructed by the Counties in the State.

Provided, also that save for the State highway system, in all other respects, Counties shall have the right to build, construct and maintain roads, turnpikes, and bridges within their respective boundaries, and the Constitutional provisions relating thereto are not qualified or repealed by reason hereof.

The Legislature, at any Regular or Special Session, is authorized and directed to pass and enact all appropriate legislation necessary to carry out and effectuate the purpose and intent of these Articles.

Sec. 2. The Governor of the State is hereby directed to cause to be issued his necessary proclamation for an election to be held on the fourth Saturday in July, 1923, at which election this amendment shall be submitted to the qualified electors of this State for adoption or rejection and shall make the publication required by the Constitution and Laws of the State. Said election shall be held under and in accordance with the General Election Laws of the State, and the ballots for said election shall have printed or written thereon in plain letters the following words:

"Official Ballot": "For the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." "Against the amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways."

Those voters who favor such amendment shall erase by marking a line through the words "Against the Amendment to Article 8, of the Constitution of the State of Texas, providing for a State system of highways." Those who oppose such amendment shall erase by marking a line through them, the words "For the amendment to Article 8 of the Constitution of the State of Texas, providing for a State system of highways." And the result of the election shall be published and declared according to the majority of the votes cast in such election.

Sec. 3. The sum of Five Thousand Dollars or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury not otherwise appropriated for the purpose of paying the necessary expenses of the proclamation and publication of this amendment and the election to be held hereunder.

S. L. STAPLES, Secretary of State.

## EDGE COMMUNITY HAS SPREAD BENEATH TREE

(From Thursday's Daily)

EDGE, June 21.—The women and girls of Edge held their regular club meeting today at the Methodist church under the "big oak tree." Miss Laura Belle Roten, county home demonstration agent, was present to attend the meeting, having come out the evening before. The morning was spent in learning club songs, and yells, and many other things of benefit. At 2 o'clock dinner was "spread" and this was just about as much enjoyed as the morning meeting. More visitors were present at this time, but they were men. After dinner all decided to go down to Big Cedar Creek and go in swimming. The crowd had lots of fun ducking each other, learning how to swim, singing and yelling and were just having a real nice time, until one of the girls got her foot cut very badly on some barbed wire and this cut the fun half in two. There will be another meeting of the boys and girls next Friday night to practice some of the songs and yells learned today.

Miss Rebecca Franks of Marlin and Miss Katherine Ballous of Brady cousins of Miss Lila Wickes, are guests in the home of Mr. and Mrs. Ed Wickes.

## GOVERNOR VETOES BILL REDUCING RECLAMATION-CONSERVATION FUND

Neff Thinks No Money Will Be Spent Unnecessarily on Project and that the Work Is of Great Importance in Conserving Waters for Utilitarian Purposes and Reclaiming Valleys.

(Special to Bryan Daily Eagle.)

AUSTIN, Tex., June 25.—Governor Neff Saturday vetoed the bill reducing the reclamation survey appropriation from \$600,000 to \$363,400, and thus leaves the larger amount stand. It was granted by the regular session and reduced by a bill of the third called session. In permitting the \$600,000 to stand, the Governor said he felt that no money would be unnecessarily spent; that those who have the survey in charge will not spend more than is necessary; furthermore, that "the great importance of the work of conserving the storm waters for utilitarian purposes and the reclamation of the valleys from overflow justifies the larger amount or any necessary part of it." The Rountree-Holbrook bill, appropriating \$600,000 for a topographical and hydrographic survey of the Texas rivers was passed by the regular session of the 38th Legislature.

## DEWITT T. KIRBY, A WORLD WAR VETERAN OF BRYAN, HONORED

(From Thursday's Daily.)

DeWitt T. Kirby, an ex-service man in vocational training at A. & M. College, whose home is Franklin, Texas, has been chosen as representative of the 10,000 disabled veterans of the recent World War in Texas, Oklahoma and Arkansas, to attend the third annual convention of the Disabled American Veterans of the World War at Minneapolis, Minn. Mr. Kirby also represents the local chapter No. 7, D. A. V. He left Bryan Wednesday night for Minneapolis, by way of Dallas, Kansas City, about two weeks. Mr. Kirby was and Omaha, Neb., and will be away as a representative from the Waco Chapter No. 5, D. A. V., last year to the second annual convention of Disabled American Veterans of the World War, which met at San Francisco, Calif. He was at that meeting one of the popular candidates for a place on the national executive committee, which is composed of fourteen members. Mr. Kirby is making his home in Bryan while attending A. & M. College, and has many friends here, who will be glad to learn of this distinguished honor which his comrades have bestowed upon him.

## DR. HELD IN ACCIDENT.

Dr. John A. Held, pastor of the First Baptist church, suffered a painful accident Thursday at 5 p. m. which badly bruised his left arm and knee. As he was coming out of the Buick filling station on Main street, his car was struck on the side near the rear by a car driven by Mrs. Guy Boyett of College. Damage to the amount of fifteen or twenty dollars was done his car, but Mrs. Boyett's car was un-injured. Dr. Held was alone; Mrs. Boyett had a number of persons in her car. The accident was unavoidable, he said, and was caused by the presence of a long car parked on the street near the filling station in such a way as to cut off the view of Dr. Held and Mrs. Boyett from each other until the moment of the collision.

## LAWRENCE GROCERY CO. REMODELING STORE FRONT

The Lawrence Grocery Co., 24th and Main streets, is replacing its front of iron and glass, which was originally designed for a furniture store, with a front of brick. Suspended from this brick front will be a wooden awning.

## Mr. and Mrs. N. B. Tucker spent Sunday here as guests of their mother, Mrs. L. H. Tucker.

# The Most Extraordinary Farm Electric Plant Opportunity Ever Offered to the Farmers of This County

**A Whole Carload of the Famous Delco-Light plants—Your Chance to buy at a big Saving!**

## Notice

The Delco-Light Plants referred to in this special offer are standard Delco-Light Plants, fully covered by the regular service guarantee as to material and workmanship, and fully protected by the liberal service policy. Each plant has the famous 4-cycle, air-cooled, valve-in-head Delco-Light engine, and the thick-plate, long-lived Delco-Light Storage Battery. Any one purchasing a Delco-Light Plant as a part of this special carload order is assured of the same satisfaction he would receive in placing his order individually, — the same satisfaction now enjoyed by 175,000 Delco-Light users.

You have visited your neighbors. You have seen the bright atmosphere of their homes,—happy, joyous children whose lives have been gladdened, the mothers from whose shoulders the burdens of toil have been lifted, the fathers whose interests in life have been broadened, and

whose profits have been increased,—all because of Delco-Light.

And now, folks, I come to you with an amazing offer. Only a few of you—only those of you who will join me in a great project of co-operative buying can share in this remarkable offer. To you I am going to offer

Delco-Light—the standard electric light and power plant—installed, equipped, including the lighting fixtures, all ready to flood your home with the blessings of electrical sunshine at a price that has heretofore been unheard of. You can save by acting now.

## Will You Join Your Neighbors In Buying a Carload of Delco-Light Plants?

I have made a proposition to the Delco-Light Factory. I have told them that I want to place a large quantity of plants in this county during the next few days. I have asked them if they will ship a whole carload of Delco-Light Plants direct from the factory to me.

I explained to them what a tremendous benefit it would be to me to have that many more satisfied users of Delco-Light in this county. These new users would show Delco-Light to their friends and neighbors and talk about it, and as a result it would help me wonderfully in selling more and more plants. The Delco-Light Company is willing to ship the carload, which will result in a great saving in freight. And I have added my generous bit. I will do the wiring at a ridiculously low figure. I will give

absolutely at cost a generous part of the equipment that is needed to get the benefit from Delco-Light.

## Are You Ready?

Due to this wonderful plan you can now have Delco-Light for less money than ever before—probably half of the cost that you expected.

Through the wonderful benefits of co-operative buying you can now give your family that joy and happiness that is only possible through electric light and power. You will have power to do the chores, for the washing machine, the separator, the churn, the feed grinder; electricity to heat the iron, to pump the water, and light—clean, safe, economical light that transforms your home from a place of danger and gloom to one of cheerfulness and deep content.

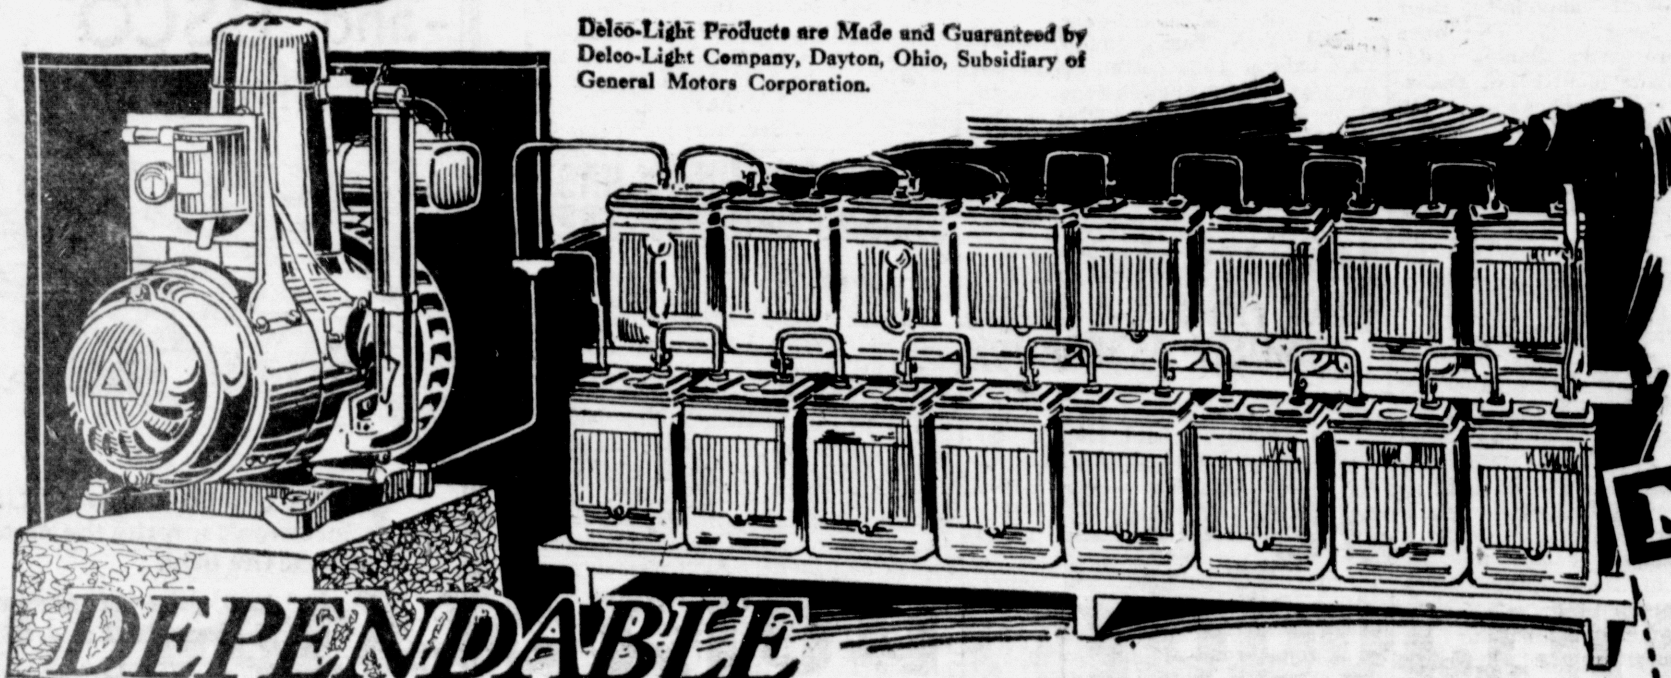

The number of plants that we have arranged to get on this plan is limited. You will have to act quickly. You will have to respond immediately. But the terms are so generous, the price so low, the advantages so great that if you ever at any time in the future expect to modernize your home, to make it a better, healthier, happier place in which to live and work, now is the time to do it.

Don't wait one minute. Simply mail the coupon. This does not obligate you in any way. It merely indicates that you are interested, and we will send you full details of the plan; we will tell you of the wonderful savings, and quote you a price such as you have never believed was possible. Mail the coupon or telephone now. This is the first time such an opportunity has ever been offered, and it may be the last. Act now if you want to save.
